

University tech transfer, and opportunities for the whole UK

  Sara Holland PhD
  21 February 2023

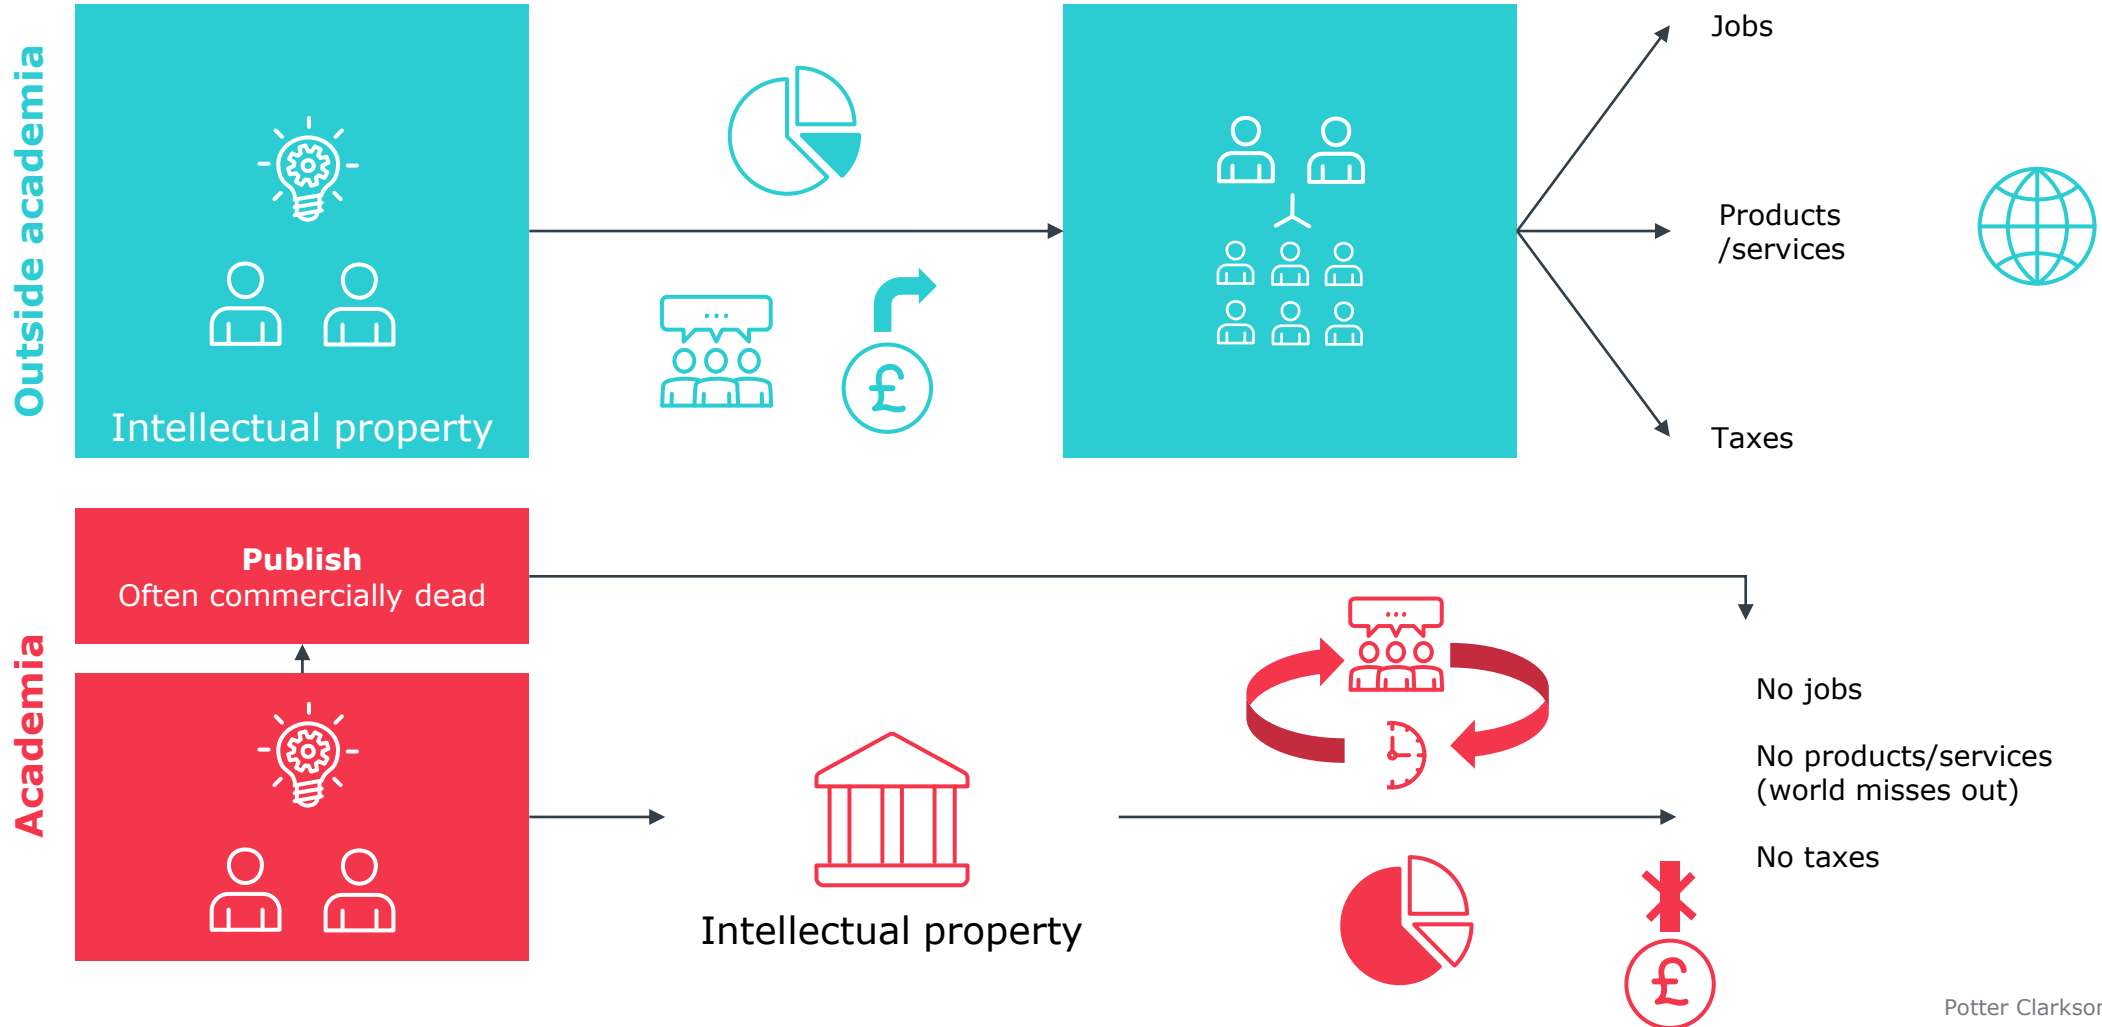

Me and synthetic biology

What should be the role of UK Universities in Technology Transfer?

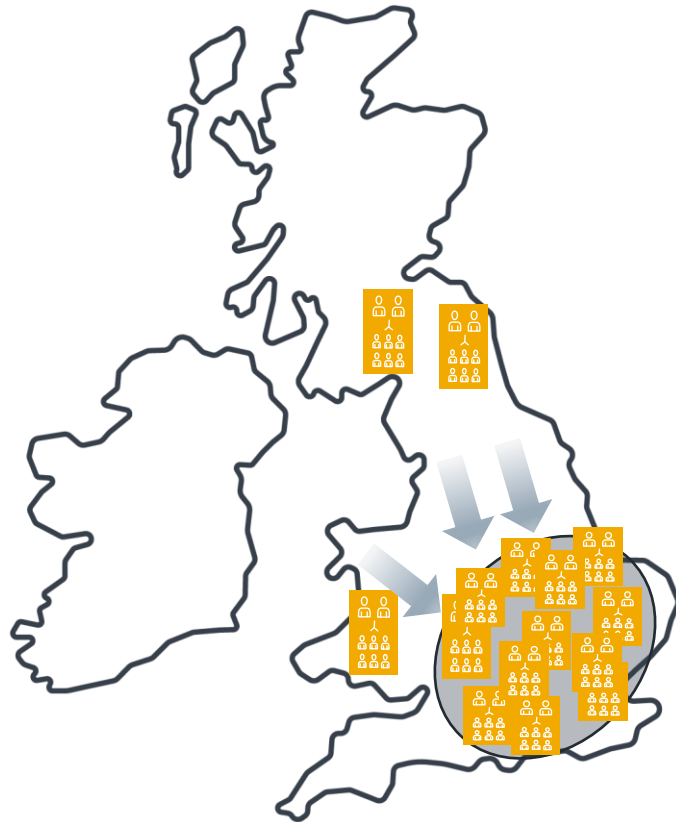

Synthetic biology

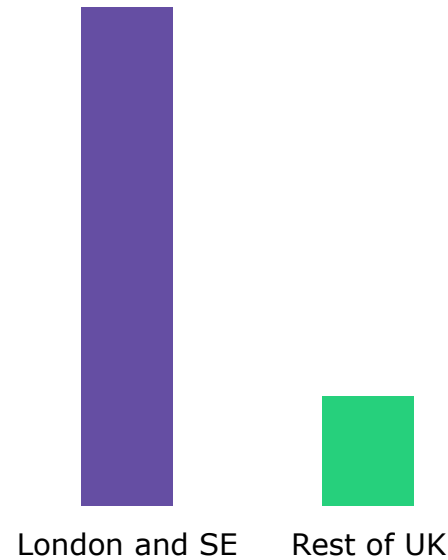

Opportunity for the whole UK

[Chicago Inno - LanzaTech Raises Another \\$72M to Turn Pollution into Fuel \(bizjournals.com\)](#);
[BPI_A_141204SUPAR05_232108a4.PDF \(sartorius.com\)](#); [Coordinating the Move to Bioprocessing 4.0 \(genengnews.com\)](#)

Over 4x more new biotech companies per local person in last 5 years in London and SE than in rest of UK...

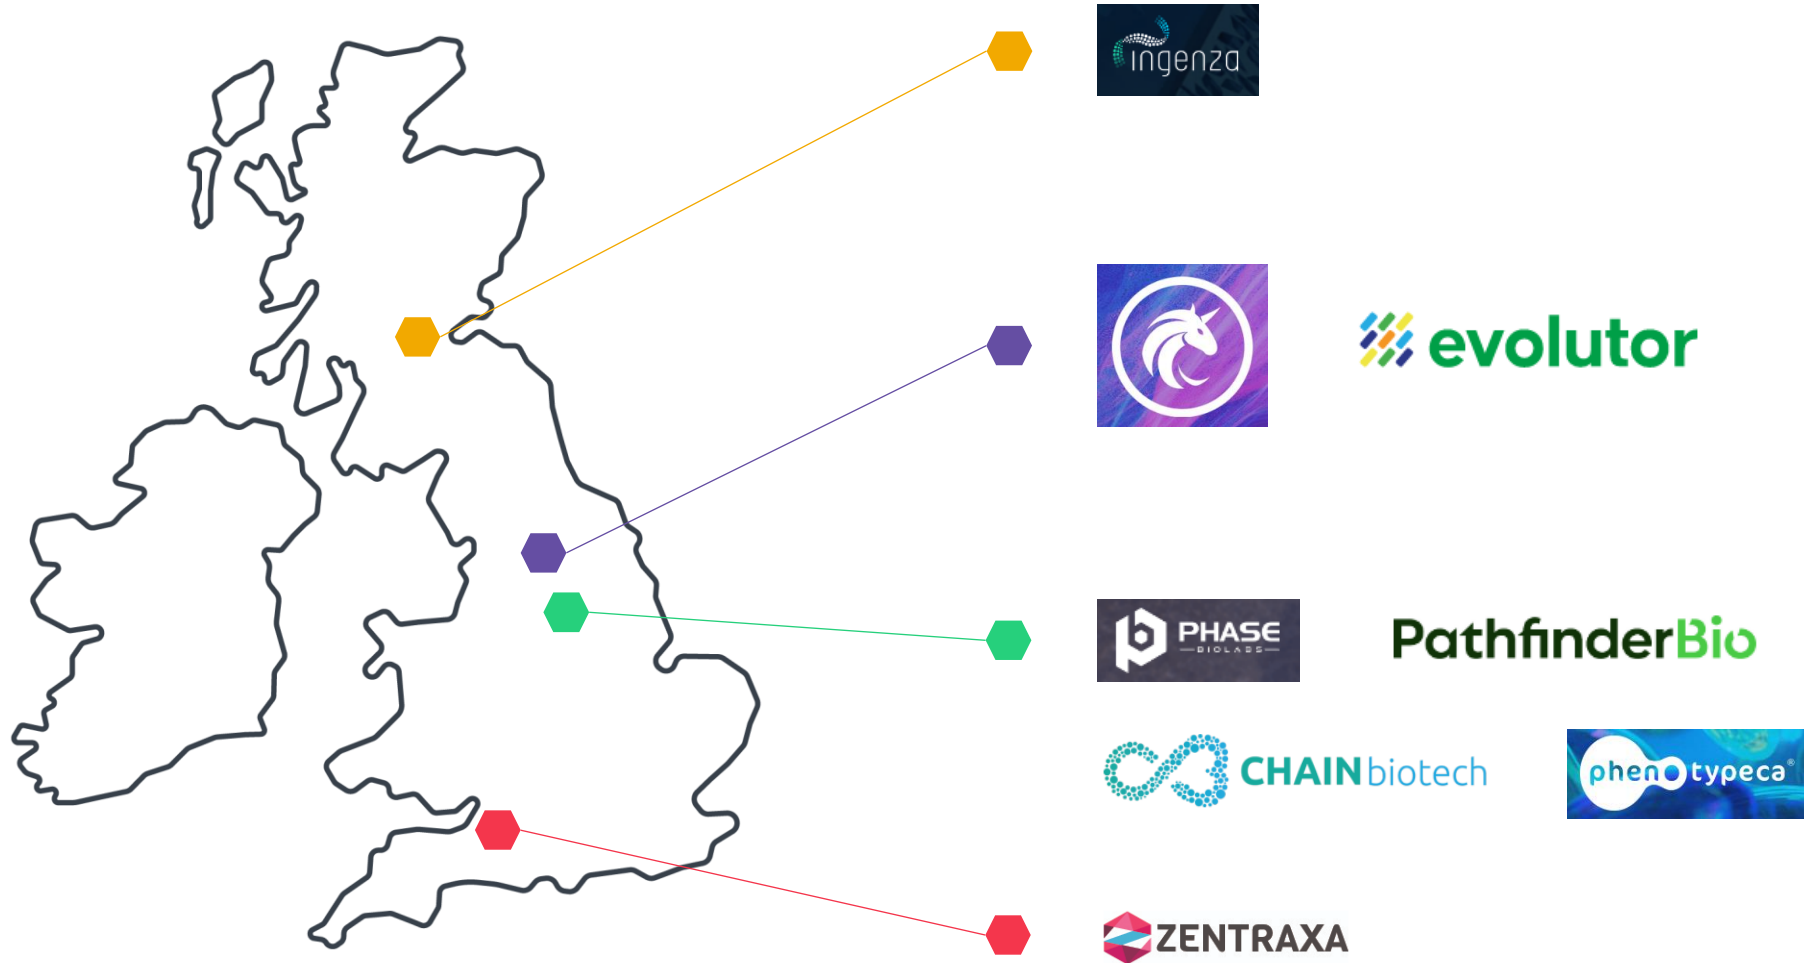

Companies registered at Companies House in last 5 years under code 72110 (Research and experimental development on biotechnology) per person in local population (*Companies House and ONS*).

Synthetic biology

Opportunity for the whole UK
